### **Marysville Baptist Church Vision Process Update:**

Our Vision Team has been busy processing the results of our congregational questionnaire. Although, we are still in the early stages of the process, a few key ideas have come to the forefront. Over the next number of months we will begin to prioritize and develop a five year plan for the purpose of seeing what we believe God has laid on the hearts of our church family.

### **Here are a few key ideas in which we are beginning to work on:**

#### **Short Term Goals (over the next number of months)**

- Continue to develop stronger relationships within the church family through intergenerational activities such as game and gym night.
- Organize local missional opportunities such as yard work for seniors, etc.
- Continue to equip our youth and involve them in ministry.
- Create a stronger senior adult ministry.
- Our Vision Team is looking at several options to create a more welcoming atmosphere on Sunday mornings and in our weekly ministries.
- It has been suggested by several people that a Building Supervisor/Custodian is needed on a paid part time basis.
- Proper signage throughout our building identifying classrooms, etc.
- Continue to develop our web and media online presence.
- Update the décor of our facilities, inside and out. (such as a fresh coat of paint, pictures and flowers). Short and long term.
- The Vision Team is currently looking at possible ways of increasing our long term financial revenue as a church family.

#### **Long Term Goals (over the next five years)**

- Calling a Pastor to Young Families.
- Continue to develop a stronger ministry to children, teens and their families.
- Develop ministries to better connect with those who are single and empty nesters.
- Upgrade sound system and sports equipment.
